Dear Sir,

Please refer to your application No.UGDC-OGRA/031 dated June 09, 2017 on the subject noted above.

2. I am directed to convey the following decision of the Authority:

The Authority granted a license to UGDC on 22-02-2016. A condition stipulated therein states that the license granted to UGDC will be effective subject to fulfillment of the following agreements within one year:-

- 4.1.1 Execution of GTA with SSGCL and /or SNGPL.
- 4.1.2 Execution of service agreement with SSGCL and/or SNGPL for metering / billing to the consumers and safety issues.
- 4.1.3 Execution of LNG supplies agreement with LNG supplier.
- 4.1.4 Execution of agreement with LNG terminal operator.

Now, MPNR has allocated upto 50 MMCFD RLNG/LNG to UGDC from existing imports of LNG for interim period. Further re-gasification arrangements with SSGCL are being done by UGDC. Due to change in the scheme amendment in License condition 4.1.3 and 4.1.4 is being envisaged.

Decision

The Authority, in its Regulatory Meeting held on 06-07-2017 considered the matter and decided that no amendment in Licence condition No. 4.1.3 of the subject license is required. However, it was decided that subject to deposit of amendment fee of Rs 100,000/- by the applicant, the license condition No. 4.1.4 may be amended as under:-

“Execution of agreement with LNG terminal operator or capacity holder”

The Authority further decided that public hearing may not be required for such amendment as public at large is not being affected.
