NOTICE (LICENSING OF OIL TESTING FACILITY)

This is in continuation of earlier notices of Oil & Gas Regulatory Authority (OGRA) published in newspapers on April 15, 2017, May 18, 2017 & June 15, 2018, informing that according to Rule 48 of the Pakistan Oil (Refining, Blending, Transportation, Storage & Marketing) Rules, 2016, establishment/ operation of an Oil/ Petroleum Testing facility (designated or designed, primarily and substantially engaged for or run on commercial basis) is a regulated activity; thereby, require license from OGRA. Further, it was also informed that as per section 25 of OGRA Ordinance 2002, undertaking regulated activity in contravention of the Ordinance is an offense; therefore, the persons/ companies undertaking the above activity were advised to apply under the Rules 49 – 51 of the above Rules on the prescribed format (i.e. Schedule-I, Part-N of the Rules, available at OGRA's website: www.ogra.org.pk). In addition, OGRA has also requested all provincial Chief Secretaries to take legal action against such petroleum testing facilities/ laboratories, which are being operated without OGRA's license, through District Authorities in the respective areas under the applicable laws/ Rules.

Nevertheless, all such persons/ companies which own such oil/petroleum testing facilities/ labs operating commercially must apply under above Rules on the format specified therein, on immediate basis.
