A PUBLIC SAFETY MESSAGE FROM OIL AND GAS REGULATORY AUTHORITY (OGRA)

It is to inform the general public that use of Illegally manufactured/ sub-standard LPG cylinders is a safety hazard since these cylinders are manufactured from sub-standard material and are a cause of LPG related accidents.

OGRA, in the larger public interest has also requested the Provincial Governments to take action against illegal manufacturers and sale of sub-standard LPG cylinders. The general public is informed through this notice to use only LPG cylinders manufactured from OGRA's authorized manufacturing companies, list of which can be downloaded from OGRA's website www.ogra.org.pk.
