

SUI SOUTHERN GAS COMPANY LIMITED

Fixed & Variable Charges - Proposed

S. No.	DESCRIPTION	Existing	Proposed	REMARKS
I Fixed Charges				
(A)	INDUSTRIAL			
1	Re-connection charges	Rs.1,000/- per connection	Rs.1,000/- per connection	
2	CMS(Consumer Meter Station) shifting charges			
2(a)	Same premises	Based on actual material & labour plus overhead @33% of material charges.	Actual cost of material plus 50% as cost of activities subject to following minimum charges: <u>For Connecting Load less than 1,500 CM/hour</u> , minimum Rs 8,000 <u>For Connecting Load above 1,500 CM/hour & less than 23,000 CM/hour</u> minimum, Rs 30,000 <u>For Connecting Load above 23,000 CM/hour & less than 102,000 CM/hour</u> minimum, Rs 65,000 <u>For Connecting Load Between 140,000 CM/hour to 230,000 CM/hour</u> minimum, Rs 160,000	
2(b)	Different location	To be treated as new connection.	To be treated as new connection.	
3	Service line shifting charges			
3(a)	Same premises	At Actual (These charges are based on material & labor Costs, including service material, pipe, O.H., Contingency, Fitting, Ditching etc.)	* <u>Steel Connection 2"</u> : Minimum Charges Rs 117,926, (additional Rs 765/meter. above 9 meters) <u>Steel Connection 4"</u> : Minimum Charges Rs 213,713, (additional Rs. 1,676/meter above 9 meters) <u>Connections for dia sizes other than notified</u> : Actual Material + 50% of Material cost for labor & overheads.	
3(b)	Different location	Treated as new connection. (The Cost is based on cost of material & labor, O.H. & Contingency, for new connection.	To be treated as new connection.	
4	SERVICE LINE CHARGES for new connections	Actual cost of service line subject to a minimum of Rs. 5,000/- (Charges are termed as Service line charges being cost sharing for service line)	* <u>Steel Connection 2"</u> : Minimum Charges Rs 117,926, (additional Rs 765/meter. above 9 meters) <u>Steel Connection 4"</u> : Minimum Charges Rs 213,713, (additional Rs. 1,676/meter above 9 meters) <u>Connections for dia sizes other than notified</u> : Actual Material + 50% of Material cost for labor & overheads.	
5	METER PROVING CHARGES ON CUSTOMER'S REQUEST	Rs.10,000/- refundable if meter found defective.	Rs.10,000/-, refundable if meter is found defective.	Formerly called as "Meter testing fee". Charges recommended unchanged.

S. No.	DESCRIPTION	Existing	Proposed	REMARKS
6	Application/Processing fee for Industrial customers / Captive power	Processing fee is Rs.150/- for all industries	Rs.5,000/- adjustable against connection charges.	Formerly called as "Processing Fee".
7	Mark-up on final bill dues (Chronic defaulters above five years)	15% per annum simple interest on final bill dues of disconnected customers	12% per annum simple interest on final bill dues of disconnected consumers(Chronic defaulter above 5 years)	Formerly called as "Mark-up on final bill dues". Reduced to 12% p.a.
8	Testing charges for unauthorised extension	Actual or minimum of Rs 1,500/-		Discontinued
9	Late payment surcharges	1.5% per month of the amount overdue during the first year in default and 2% per month of the amount overdue thereafter.	1.5% per month of the amount overdue during the first year in default and 2% per month of the amount overdue thereafter.	Recommended un-changed.
10	Service killing charges	Rs. 500/- for killing existing service.		Discontinued
11	Installation for new connections	Cost of installation of all types of new connections (depending upon the cost of material and labor).	Actual Material Cost + 50% of material cost for Labour and Overheads	
12	Installations for extension (extension in load) in house line.	Cost of installation of all types of extension (extension in load) in house line (depending upon the cost of material and labor).	Actual Material Cost + 50% of material cost for Labour and Overheads	Actuals if works done by the licensee. If to be done by the consumer, directions/specification/ standards given by the Company must be followed.
13	Installation for alteration (re-routing) in house line.	Cost of installation of all types of alteration (re-routing) in house line (depending upon the cost of material and labor).	Actual Material Cost + 50% of material cost for Labour and Overheads	Actuals if works done by the licensee. If to be done by the consumer, directions/specification/ standards given by the Company must be followed.
14	Installation for replacement (corrosion / leakage) of house line.	Cost of installation of all types of replacement (corrosion / leakage) of house line (depending upon the cost of material and labor).	Actual Material Cost + 50% of material cost for Labour and Overheads	Actuals if works done by the licensee. If to be done by the consumer, directions/specification/ standards given by the Company must be followed.
15	Installation for shifting (construction work) of CMS.	Cost of installation of all types of shifting (construction work) of CMS (depending upon the cost of material and labor).	Actual Material Cost + 50% of material cost for Labour and Overheads	
(B) COMMERCIAL				
1	Application fee:			
1(a)	- Low pressure	No application fee is charged from the Prospective customer.	Rs.1,000/= adjustable against connection charges	
1(b)	- High pressure	Rs. 150/-	Rs.1,000/= adjustable against connection charges	
2	SERVICE LINE CHARGES for new connection	Actual cost of service line subject to a minimum of Rs 5,000/-	Actual cost of service line subject to a minimum of Rs 5,000/-	Recommended unchanged.
3	METER PROVING CHARGES ON CUSTOMER'S REQUEST	On Consumer request Rs.10,000/- (refundable if meter is found defective).	Rs. 5,000/-. Refundable if meter found defective (over± 2%)	Formerly called as "Meter Testing Fee". Reduced to Rs 5,000/-.

S. No.	DESCRIPTION	Existing	Proposed	REMARKS
4	Service line shifting charges on same premises	Rs. 3,000/-	** Steel Connection 1": Minimum Charges Rs 5,142, (additional Rs 203/meter above 5 Mtrs) <u>Connections for dia sizes other than notified:</u> Actual Material + 50% of Material cost for labor & overheads.	
5	Meter shifting charges on same Premises	Rs. 400/-	At actuals subject to minimum of Rs. 400/-	
6	Replacement of services valve	Rs.300/-	At actuals subject to minimum of Rs. 300/-	
7	Mark up on final bill dues (Chronic defaulter above five years)	15% per annum simple interest on final bill dues of disconnected customers.	12% per annum simple interest on final bills dues of disconnected consumers.(Applicable on chronic defaulter greater than 5 years).	Formerly called as "Mark-up on final bill dues"
8	House line testing fee	Rs 250/- per test for disconnected/final billed cases.		Merged with "Inspection Fee"
9	Inspection fee	Rs 200/- per visit for disconnected/final billed cases.		Merged with "House Line Testing Fee". This is requested when a final billed disconnected customer asks for re-connection.
10	House line testing / Inspection fee	Rs.450/- (250+200) per test for (disconnected / final billed cases)	Irrespective of No. of visits only Rs.500/=.	Merged. To be recovered on account of houseline testing and inspection fee from customers (disconnected/final bill cases).
11	Service killing charges	Rs. 500/- for killing existing service by digging the pit so that it could not be misused and to protect pilferage/leakage.		Discontinued
12	Burried Service Valve to Raise	Rs. 500/=	Rs. 500/=	
13	Meter Rental	Rs 100/- per month.	Rs 100/- per month.	Recommended unchanged.
14	Late Payment Surcharge	1.5% per month of the amount overdue during the first year in default and 2% per mont of the amount overdue thereafter.	1.5% per month of the amount overdue during the first year in default and 2% per mont of the amount overdue thereafter.	Recommended unchanged.
1	Reconnection Charges	Rs 500/- per connection.	Rs 500/- per connection.	Recommended unchanged.
(C)	DOMESTIC			
1	Development charges (new gas connection)	Rs.1500/- for the houses up to 300 sq yards (10 Marlas) Rs.3,000/- for the houses above to 300 sq yards (10 Marlas).	Rs.1,500/- for the houses up to 300 sq yards (10 Marlas) Rs.3,000/- for the houses above to 300 sq yards (10 Marlas).	
2	Change of tariff cases	Rs.5,500/. If an existing domestic customer requests for a change in tariff to commercial.	1) On request Rs.2,000/=plus actual material involved. 2) Where Company itself discovered Rs.5,000/= plus actual material involved.	
3	Advance billing charges	Rs.2,700/- Flats up to 700sq.ft. Rs.3600/- Flats in excess to 700sq.ft.	Rs.2,700/- Flats up to 700sq.ft. Rs.3,600/- Flats in excess to 700sq.ft.	
4	SERVICE LINE CHARGES for new connection	Rs 1,500/- per consumer for a plot size upto 10 marlas and Rs 3,000/- per consumer for plot size over 10 marlas.	Rs 1,500/- per consumer for a plot size upto 10 marlas and Rs 3,000/- per consumer for plot size over 10 marlas.	Recommended unchanged.

S. No.	DESCRIPTION	Existing	Proposed	REMARKS
5	Services-Line shifting charges (within the same premises)	At actuals subject to minimum of Rs. 1,500/- and Rs.2,150 for steel and poly pipe respectively.	<p>**Steel Connection 3/4": Minimum Charges Rs 2,088, (additional Rs 285/meter above 5 Mtrs)</p> <p>**P.E. Connection 20mm": Minimum Charges Rs 2,839, (additional Rs 186/meter above 5 Mtrs)</p> <p>Connections for dia sizes other than notified: Actual Material + 50% of Material cost for labor & overheads.</p>	
6	Meter shifting charges on same premises	Rs.200/-	At actuals subject to minimum of Rs. 200/-	
7	Inspection fee / Testing Fee	Rs.325/- (200+125) per visit for (disconnected /final bill) This is requested when a disconnected customer asks for re-connection.	Irrespective of No. of visits only Rs.500/=.	Merged. To be recovered on account of houseline testing and inspection fee from customers (disconnected/final bill cases).
8	Additional service connection charges	At actuals subject to minimum of Rs. 1,500/- and Rs.2,150 for steel and poly pipe respectively.	<p>**Steel Connection 3/4": Minimum Charges Rs 2,088, (additional Rs 285/meter above 5 Mtrs)</p> <p>**P.E. Connection 20mm": Minimum Charges Rs 2,839, (additional Rs 186/meter above 5 Mtrs)</p> <p>Connections for dia sizes other than notified: Actual Material + 50% of Material cost for labor & overheads.</p>	
9	Replacement of service valve	Rs 200/-		Discontinued
10	Inspection fee	Rs 200/- per visit for (disconnected). This is requested when a disconnected customer asks for re-connection.		Merged with "Testing fee"
11	Testing fee	Rs 125/- at the time of reconnection.		Merged with "Inspection fee"
12	Service killing charges	Rs 500 for killing existing service by digging the pit so that it could not be misused and to protect pilferage/leakage.		Discontinued
13	COMMON HOUSE LINE MAINTENANCE CHARGES	Rs.25/= per running meter.	Rs.25/= per running meter.	The Company also provide gas connection through wall to wall common house line at the premises which is located in the Katchi abadis/ narrow lanes area while SSGC distribution main exist only in the out skirt of that locality. In such areas main extension is not possible. These gas connections are provided through common house line. CHL maintenance charges recommended unchanged.
14	INTERMEDIATE PRESSURE HOUSE LINE CHARGES	The actual cost of under ground gas lines is recovered from the customer laid in the premises within boundary wall and the proprietary rights are held by the customer. Advance maintenance charges are also recovered by customer being 50% of total cost of installation charges of gas pipeline including building projects.	Actual cost of underground gas line being Actual cost of material + 50% of material cost, Advance Maintenance charges to be recovered from customer being 50% of total cost of installation charges of gas pipeline including building projects.	The actual cost of under ground gas lines is recovered from the customer laid in the premises within boundary wall and the proprietary rights are held by the customer. Advance maintenance charges are also recovered by customer being 50% of total cost of installation charges of gas pipeline including building projects.

S. No.	DESCRIPTION	Existing	Proposed	REMARKS
15	Burried Service Valve to Raise	Rs. 350/-	Rs. 500/-	
16	Replacement of regulator	Rs. 200/-	Rs. 200/-	
17	Meter Rental	Rs 20/- per month.	Rs 20/- per month.	Recommended unchanged.
18	Late Payment Surcharge	10% of current month's bill in the month of default.	10% of current month's bill in the month of default.	Recommended unchanged.
19	Reconnection Charges	Rs 200/- per connection.	Rs 200/- per connection.	Recommended unchanged.
20	Urgent New Connection Charges.	Rs 3,500/- in addition to the standard charges of "Service Line Charges".	Rs 3,500/- in addition to the standard charges of "Service Line Charges".	These charges are not in practice in SSGC.
II	VARIABLE CHARGES			
(A)	INDUSTRIAL:			
1	Damages to the equipment/instruments/fittings	Actual charges recovered from customer is subject to damages.	Actual Material + 50% of Material cost for labour & overheads. (Basis for Calculating actual cost should be consistent).	
(B)	COMMERCIAL:			
1	Damages to the equipment / instruments / fittings	Charges recovered from the customer as per actual cost of material.	Actual Material + 50% of Material cost for labour & overheads. (Basis for Calculating actual cost should be consistent).	
(C)	DOMESTIC:			
1	Damages to the equipment / instruments / fittings	Charges recovered from the customer as per actual cost of material.	Actual Material + 50% of material cost for labour & overheads. (Basis for Calculating actual cost should be consistent).	
III	RECOVERABLE FROM LOW PRESSURE HOUSELINE GAS CONTRACTORS			
1	REGISTRATION FEE FOR NEWLY ENLISTED LOW PRESSURE HOUSE LINE GAS CONTRACTORS	Rs. 1000/- registration fee is recovered from the newly registered L/P House Line Gas Contractors to meet miscellaneous expenses i.e. Survey of requested Office and documentation charges	Rs. 1,000/-	Registration fee is recovered from the newly registered L/P House Line Gas Contractors to meet miscellaneous expenses i.e. Survey of requested Office and documentation charges
2	RENEWAL OF REGISTERED LOW PRESSURE HOUSE LINE GAS CONTRACTORS	Rs.500/-	Rs.500/-	
3	SECURITY DEPOSIT FROM NEWLY REGISTERED LOW PRESSURE HOUSE LINE GAS CONTRACTOR	Security deposit Rupees 25,000/= is recovered from newly registered contractor to protect the customers claim of damages if any.	Rupees 25,000/=.	Security deposit is recovered from newly registered contractor to protect the customers claim of damages if any.

* Minimum charges are based on 9 meters standard length of service line.

** Minimum charges are based on 5 meters standard length of service line.

Sui Southern Gas Company Limited

Proposed Monthly Industrial Meter Rent

	Slabs	(Amount in Rupees)
Description	Range	Proposed
A	0 ~ 3000 cf/hr	300
B	3001 ~ 10,000	500
C	10,001 ~ 23,000	800
D	23,001 ~ 38,000	1,000
E	38,001 ~ 56,000	1,500
F	56,001 ~ 14,0000	2,000
G	140,001 and above	2,500
H	Orifice meters	3,000
