

Press Release

Oil & Gas Regulator Authority (OGRA) in order to determine the dispensing of CNG at notified price /kg which is posted on OGRA's website (www.ogra.org.pk), conducted surprise inspection of M/s MCOC CNG Stations situated on both sides of M-2 Islamabad – Lahore on January 14, 2010. During these inspections, out of 06 CNG Stations inspected, 04 Stations were found overcharging the general consumers. OGRA has taken strict notice of such malpractice causing inconvenience to the public and has decided that it will be dealt in accordance with the Rules and the prevailing Law. OGRA is in process of issuing show cause notices to the violating CNG stations.
