

OIL & GAS REGULATORY AUTHORITY

**EXPRESSION OF INTEREST (EOI) FOR HIRING THE SERVICES OF REPUTABLE
THIRD PARTY INSPECTORS (TPI) TO INSPECT OIL INFRASTRUCTURE**

Oil & Gas Regulatory Authority (OGRA) is regulating mid & downstream oil sector under OGRA Ordinance and the Pakistan Oil (Refining, Blending, Transportation, Storage and Marketing) Rules, 2016. OGRA grants license for construction/ development of oil infrastructure such as Oil Refineries, Oil Storages, and Oil Pipelines subject to their conformance with the relevant technical standards notified by OGRA. Besides, retail outlets and petroleum transport vehicles are also required to be conformed to OGRA's notified technical standards (placed on OGRA's website: www.ogra.org.pk).

For the safe delivering of services to the consumers in mid and downstream of oil sector, it is important to check the infrastructure that it has been built and constructed to the specified standards. Accordingly, In order to ascertain the compliance of such oil infrastructure with the relevant technical standards, OGRA needs the services of reputable Third Party Inspectors (TPI) for the period of three years, preferably having API certified manpower, and hereby invites 'Expression of Interest' from well-established national and international companies/ firms with proven track record as TPI for carrying out inspections of oil infrastructure. Applicant firms/ companies having at least 10 years of relevant experience may apply.

The TORs and Evaluation Criteria can be obtained from the Oil Department of OGRA or downloaded from OGRA & PPRA's website i.e. www.ogra.org.pk. & www.ppra.org.pk. The interested parties meeting the laid down criteria may apply within 30 days of the publication of this advertisement.
