## NOTICE

It has been observed that in spite of restrictions imposed on the Oil Marketing Companies (OMCs) for not establishing retail outlets without having requisite back up storage infrastructure province wise, certain OMCs are continuously adding/establishing the new outlets by violating Authority's directions.

In this regard, Authority has now decided that any such OMC who will add/establish new outlets without permission will be imposed a fine/penalty of Rs. 1 Million per outlet. In addition, Authority has also decided that after **31-12-2019**, OGRA shall not regularize any retail outlet of the Oil Marketing Companies (OMCs), which was not allowed to establish the same due to less back up storage in that particular province/area and concerned violator OMC shall have to remove that outlet. All the concerned OMCs are advised to strictly follow the above directions, please.
