Notice for Public Comments on LNG Terminal and Storage Access Rules, 2021 & LNG Terminal and Storage Access Code, 2021

OGRA has drafted LNG Terminal and Storage Access Rules and LNG Terminal and Storage Access Code which shall play a pivotal role in liberalization of LNG/ RLNG market of the country while ensuring safe and reliable supply of gas thus promoting country's economic growth. The said Rules are guiding principles whereas the Code provide standard terms and conditions that will govern the relationship of the parties to the access arrangement on LNG / RLNG regulated activities.

Prudent comments of the public and major stakeholders earlier sought vide public notices dated January 13, 2021 and February 02, 2021 have also been incorporated in the draft Rules and Code. We are now placing the final version on OGRA website. All stakeholders are requested to furnish the comments in writing within fifteen days of publication of this notice. Draft Rules and Code shall be finalized considering feedback received from the stakeholders.
