## LPG BOWSER FACTORY SEALED

*By Our Staff Reporter*

**FACTORY SEALED:** In a major operation, a joint team of the Oil and Gas Regulatory Authority (Ogra) and Lahore City administration officers on Tuesday sealed a factory at Karol Ghuti near the Ring Road for manufacturing substandard LPG bowzers.

The operation was led by the Ogra Joint Director Raza Ahmad, according to the LPG Distributors Association.

"Ogra has launched a grand operation against such factories. According to our information, 17 factories are involved in manufacturing substandard bowzers," the association quoted Mr Raza as having said on the occasion.

It said since the factories had no expertise of design, production, quality control, management etc, the manufacturing of LPG bowzers by them was substandard.
