CCoE members reject incentives for refineries

ISLAMABAD: The top members of Cabinet Committee on Energy (CCoE) including Minister for Energy, Hammad Azhar, have rejected incentives for existing refineries, saying that paying upfront money, collected from the taxpayers, without having any stake of the Government is not a recommended option, well informed sources told Business Recorder.

Electricity-gas pricing trade-off

With a gas price hike of 7-14 per cent due in the first week of next month as required under a determination of the Oil & Gas Regulatory Authority (Ogra), the government has started thinking a little differently. Finally, it has decided to start giving price signals to consumers based on energy availability and its cost of supply.
