NOTICE

It is hereby informed that according to rule 31 & 32 of the Pakistan Oil (Refining, Blending, Transportation, Storage & Marketing) Rules, 2016, all existing petroleum storage facilities or non-oil storage facilities (owned by companies other than oil marketing company/refinery) being used commercially for petroleum storage (exceeding in aggregate five thousand liter) require OGRA's licence to carry on their operations. Therefore, all such persons/ companies which owns such storage facilities and operating commercially must apply under above Rules on the format specified therein, within 30 days. The copy of the Rules can be downloaded from OGRA's website: www.ogra.org.pk.
