High gas price

Energy prices have continuously been rising in Pakistan since 2018, with only one notable cut in March this year. Now the Sui Southern Gas Company has asked for a 45% raise from July 1 to overcome its revenue shortfall in the next fiscal year. OGRA held a public hearing last week to consider the different aspects of the prescribed price and its relation to the company's revenues.

Circular debt to haunt new govt

The worsening circular debt in the energy chain will continue to haunt the new government along with the challenge of dealing with the rising crude oil prices in the global market following the Russia-Ukraine war, officials say.
