OCAC confirms ample availability of fuel in country

KARACHI: The Oil Companies Advisory Council (OCAC), the primary representative of the downstream oil industry, has reported that ample stocks of motor spirit (MS) and high speed diesel (HSD) are available in the country owing to the support of refineries in providing locally produced fuel products, and OMCs for planning imports and meeting volume commitments timely, despite the limited product availability in the international market due to geopolitical tensions.

Subsidy ‘reversal’: Diesel disappearing in small cities on hoarding

KARACHI: As the government weighs ceasing fuel subsidy to ensure the IMF loan, diesel, the main transport fuel, is nowhere to be found in smaller stations in Punjab courtesy hoarding, officials said, warning the crisis was not far from big cities.

‘Diesel stocks sufficient; more cargoes on way’

KARACHI: Ample inventory of petroleum products including diesel is available in the country, while cargoes are waiting off-port, industry officials said on Monday, advising against any panic-buying.

Low fuel stocks may add to power woes ahead of heatwave

ISLAMABAD: Low fuel stocks and cash constraints have put authorities in the dock as power outages hit consumers across the country and panic buyers resorted to hoarding diesel ahead of an anticipated price hike, even as the regulator and the government tried to assure everyone that things were under control.

Miftah rules out immediate hike in fuel prices

ISLAMABAD: Finance Minister Miftah Ismail on Monday said that the prices of petroleum products would not be increased “immediately” but hinted the hike sooner than later.

“If there is a surge in fuel prices, it will be done after consideration of multiple factors including the summary submitted by the OGRA,” said Miftah while speaking in a talk show.

Govt may increase fuel prices partially

The government is likely to make a partial increase in oil prices to do away the subsidies in order to meet commitment with the International Monetary Fund (IMF) amid the highest impact of global oil prices on domestic oil rates in Pakistan.
