Islamabad – Taking cognizance of the reports on diesel non availability, Oil and Gas Regulatory Authority (OGRA) has moved its enforcement teams along law enforcement agencies and district management in different regions to inspect and unearth illegal oil storages. It is reiterated that anyone found in hoarding or stocking oil illegally shall be dealt under the law of the land.

Chief Secretaries have already been informed to advise Deputy Commissioners for increasing vigilance on any such illegal activities and take immediate punitive actions.

Moreover, DCOs have also been informed to mobilize teams to inspect petrol pumps in their respective regions and anyone found in hoarding or short supply may strongly be dealt according to law and report should be sent to OGRA.
