Transport fare to reduce by 53%, if private sector allow to import gas

A legislative body of Upper House of parliament on Tuesday was informed that If the government grants permission to private sector to import natural gas in any form, the general transport fare may be reduced to 53 percent.

Regulatory decay

LAHORE: Countries the world over have risen from the ashes despite possessing no material or natural resources. One resource they had in abundance was strong institutions and a determined human resource to protect their national pride. We unfortunately lack that determination.
