

## **PUBLIC NOTICE**

Petrol is a highly flammable liquid and can easily be set on fire; therefore, it can only be sold through authorized petrol pumps, which are setup under strict international & Pakistan standards. The storage and sale of Petrol (as well as High Speed Diesel) through mini agencies/ dabba stations possess serious safety threats/ hazards (due to nearby naked flames, electrical sparks, spark plugs in motorbikes etc.) not only to the owner of these premises but also endangers public life and property.

Further, storage and sale of Petrol through such dabba station is violation of section 3 of Petroleum Act, 1934 and Rule 90 of the Petroleum Rules, 1937. The offense is also not bail-able in terms of Schedule-II of the Criminal Procedure Code (CPC) 1898 under the head of "offense against other laws". Besides this, action can also be taken as per section 285 & 286 of the Pakistan Penal Code (PPC) which include imprisonment (extendable to six months) along with fine.
